

## SUMMARY

### **MODULE I: ENVIRONMENTAL ASPECTS IN MINE CLOSURE**

<b>Filling The Void: The Changing Face of Mine Reclamation in the Americas</b> , Stephen Roberts, Marcello Veiga, Carlos Peiter, Glória Sirotheau, Maria Laura Barreto e Gilson Ezequiel.....	3
<b>Aspects of Mine Closure in Brazil</b> , Arthur Pinto Chaves .....	24
<b>Abandoned Coal Mines: A Latent Source of Environmental Contamination in Colombia</b> , Elcy M. Córdoba T. ....	33
<b>Mine Closure-Related Geochemical Aspects</b> , Saulo Rodrigues-Filho, Eurico Zimbres, Marilu de Meneses Silva, Anderson Rocha, João Felipe Mitre and Roberto C. Villas Bôas .....	43
<b>Mining Environmental Management in Colombia: Challenges and Opportunities for the Aggregate Industry</b> , Carlos Fernando Forero Bonell .....	53

### **MODULE II: JURIDICAL AND LEGAL FRAMEWORK**

<b>Mine Closure: The Search for a Legal Framework</b> , Maria Laura Barreto .....	65
<b>Closing Mines in Mexico</b> , Margarita Lozada Nava .....	75
<b>Environmental Policy in Peru and Legislation on Mine Closure</b> , S. Rocío Gordillo Ruiz .....	79
<b>Analysis of the Chilean Legislation on the Closing and Abandonment of Mining Tasks and A Case of Application</b> , Omar Gallardo G. and Francisco Ramenzoni B. ....	86
<b>The Abandonment of Mines in Mexico under the New Environmental Legislation</b> , Luiz R. Vera Morales .....	95

### **MODULE III: SOCIAL ASPECTS AND COMMUNITIES**

<b>Planning for Closure &amp; Sustainability Indicators</b> , Alyson Warhurst, and Cristina Echavarría .....	105
<b>Mine Closure - The 21<sup>st</sup> Century Approach</b> , Wanda M.A.Hoskin .....	109
<b>Corporate Social Responsibility and The Case of Summitville Mine</b> , Alyson Warhurst and Paul Mitchell .....	117
<b>Environmental Situation Of Open-Pit Mining In Buenos Aires Province, Argentina. Cases Analysis.</b> , Mario Tessone, Daniela Marchionni .....	136
<b>Mining with Communities</b> , Marcello M. Veiga, Malcolm Scoble, Mary Louise Mcallister.....	143
<b>Mining Heritage &amp; Closure Mines</b> , Carvajal, D.J.; González, A .....	158

### **MODULE IV: TECHNOLOGY AND MINE CLOSURE**

<b>Mine Closure – A Geomechanics View</b> , Lineu Azuaga Ayres da Silva .....	169
<b>Decrease of Pollution by Mercury in Gold Mining in Latinamerica</b> , Freddy Pantoja Timarán and Ramón Álvarez Rodríguez .....	178
<b>Importance of the Closing of Mines in the Exploitations of Vein Gold in Colombia - Green Gold for the Sustainable Development</b> , Maria Esperanza Lopez Gomez .....	191
<b>San Gregorio - Project</b> , Jorge Del Los Santos .....	200

**MODULE V: ECONOMY AND FINANCES**

<b>Improving Environmental Compliance in Mine Closure: The Case for a System of Performance Bonds</b> , Dina Franceschi and James R Kahn.....	207
<b>Mine Closure: Selected Highlights</b> , Eduardo Vale .....	219
<b>The Economic and Taxation Aspects of Mine Closure</b> , Nelson Lara dos Reis .....	224
<b>Financial Assurance for Mine Reclamation and the Closure Plans</b> , Mauro Lobo de Rezende .....	229

**MODULE VI: POLITICAL AND SOCIALS ASPECTS**

<b>Mining Integration - Key Issues And Challenges</b> , Hugo Nielson.....	239
---	-----

**MODULE VII: MINE CLOSURE: CASE STUDIES**

**First Case Study: The Closing down in Virgin Regions**

<b>Closure and Remediation of the Polimetalllic Ore Deposit Mina Angela Chubut Province- Argentina</b> , Guillermo Hughes .....	259
---	-----

**Second Case Study: The Closing down in Urban Regions**

<b>Águas Claras Mine Closure Liability Assessment</b> , Lima, H. M, Wathern, P.; Franca, P. R .....	270
---	-----

<b>Rehabilitation of Degraded Areas in Urban Mining: The Case of the Metropolitan Region of São Paulo, Brazil</b> , Omar Yazbek Bitar.....	280
--	-----

<b>The Closure of Small Mines of Dimension Stones in Lagoa Santa Epa</b> , Adilson Curi.....	290
--	-----

<b>Reclamation of Closed Open Pit Mines in Metropolitan Areas: Brazilian Cases</b> , Eduardo C. Damasceno, Paulo Fernando de T. Damasceno.....	299
--	-----

**Third Case Study: Experiences in E.U. – Mine São Domingos – Case Study in Portugal**

<b>Evaluation of Environmental Risks Associated to Mining in Portugal. Guidelines for a Study Program and Results</b> - J.M. Santos Oliveira, M.R. Machado Leite, M.J. Canto Machado, M.Y. Pedrosa, L.M. Quental, J.M. Matos, C.J. Rosa, P. Ávila, L.P. Martins, F.S. Daniel .....	302
--	-----

**Fourth Case Study : Tailings and Sulfides**

<b>Experiences at the Closure of the Candelaria Mine</b> , Alberto Pool .....	311
---	-----

<b>Peruvian Point of View on the Closure of Mines</b> , Maria Chappuis .....	316
--	-----

<b>Mining and Environment – Premises for the Temporary Mine Closure</b> , José Castellanos Suarez; Esteban Alfonso Olmo; Aurora Picayo Flores, Javier E. Rodríguez Rubio, Edilia García, Pilar Pacheco; Antonio Vera; Mailene Duménigo; Mercedes Hernández.....	324
---	-----

<b>Some Pages Web of Interest for the Theme Closing of Mines</b> , Glória Janaina de Castro Sirotheau .....	329
---	-----
